

H. Res. 239

In the House of Representatives, U.S.,

May 20, 2003.

Resolved, That upon the adoption of this resolution it shall be in order without intervention of any point of order to consider in the House the bill (H.R. 1904) to improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risks lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes. The bill shall be considered as read for amendment. The amendment printed in part A of the report of the Committee on Rules accompanying this resolution shall be considered as adopted. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto to final passage without intervening motion except: (1) one hour of debate on the bill, as amended, with 30

minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Agriculture, 20 minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Resources, and 10 minutes equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary; (2) the further amendment printed in part B of the report of the Committee on Rules, if offered by Representative George Miller of California or his designee, which shall be in order without intervention of any point of order, shall be considered as read, and shall be separately debatable for one hour equally divided and controlled by the proponent and an opponent; and (3) one motion to recommit with or without instructions.

Attest:

Clerk.
